2026 UFO (UnFinished Object) Challenge

Are UFOs lurking in your sewing area and bags throughout your home?
This is YOUR opportunity to finish some of them up!

THE CHALLENGE:

Select five UFOs and list them on the back of this sheet. Every two months ONE UFO is due back at a day or night meeting completely finished! Your name will be entered into a drawing for that month AND a final drawing will be held in December. The more UFOs you complete, the more chances you will have in December's drawing.

You have two months to work on each UFO. One completed UFO will be due at a Guild meeting in **March, May, July, September and November.**

How to participate:

Cost = \$5. Sign up with Barbara Rutan or Jean and Megan Bailey. They will give you the rules and the form. ***Bring the completed form back to the February meeting or send Barb a copy by email.*** Please keep a copy of your records. You can sign up anytime, but the cost will not be prorated.

What does “completely finished” mean?

A “completely finished” UFO means that no additional work is needed to display, use or wear the item. Item must also have a LABEL!!! Label does not have to be fancy, but it must have a true label attached. If the item will be donated, then a paper label will be accepted.

Completed UFOs

Bring **ONE** completed UFO to one or both guild meetings in the months listed above. Visit the UFO table so we can check you off and you can be entered in the drawing for that month. UFO Challenge projects will be shown as a group show. **If time allows**, then members may briefly give some background information about their UFO.

FAQs

1. What if I do not have five UFOs or start late? That is okay. Cost is still \$5 - just list the UFOs you wish to complete on the form.
2. Do I have to work on the UFOs in the order I list them? **No.** Pick one UFO to complete every two months. If you finish it early, then you can get a jump start on finishing another one!
3. Must the UFO be a quilt project? **No.** Any handcraft project you wish to finish will qualify.
